

Dear Members and friends of the Almond Tree Inn

In challenging times, we are faced with the need to make difficult decisions. From the heart, we care about our friends and family of which you and our team are a part of. Your safety and well-being is our number #1 goal. As a company we support the idea that we can achieve our best by working towards the common good.

At this time, even though there are no cases in the Florida Keys and the threat remains low. We believe following all recommendations of the CDC, to help prevent the further spread of the Coronavirus, we have made the difficult choice to suspend operations at the Almond Tree Inn **from March 19th until April 4th.**

This was not an easy decision to make, but we feel that it is the socially responsible choice and one that will support a more favorable long-term outcome for the communities that support us.

Our team members will be reaching out to guests with reservations during this time period to arrange for refunds or to reschedule your stay. If you have questions, please reach out directly to the property or travel agent where you have made a reservation.

We will be monitoring this evolving situation constantly with the hope that we will be able to reopen our doors as soon as possible. In the meantime, we will be taking reservations for after April 5th and the upcoming summer season.

Please stay safe and be ready to come see us as soon as things in the world return to normal.

Very truly yours

Bill, John, Trudy & the Team  
Almond Tree Inn
